one. the no-compromise, low-cost bannerstand!

Roll-ups & banner stands

The **one.** banner stand offers the ideal solution, price, and quality for budget-conscious customers.

This all-in-one product includes a light and compact aluminum casing, two retractable stabilizing feet (one for **one.R2**) for perfect stability, and a dye-sublimation printed fabric graphic.

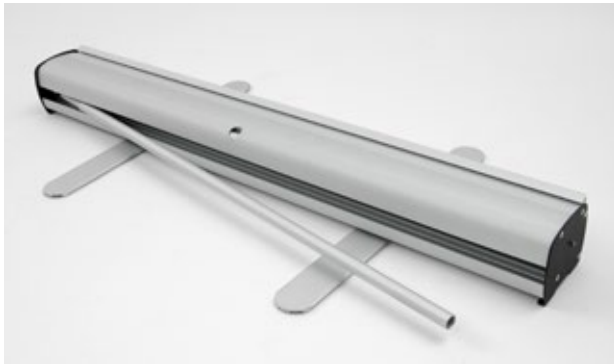

one. is delivered in a carry case, and is available in a single- or double-sided format.

All of these features combined allow for fast and easy set-up in just a few seconds!

one. the no-compromise, low-cost bannerstand!

- The three-part pole is stored inside the casing. Retractable stabilizing feet.
- Easy transport: 2,8 kgs for **one.R1**, carry case included.
- ECI system (Easy Change Of Image): reuse your roll-ups by just changing the image

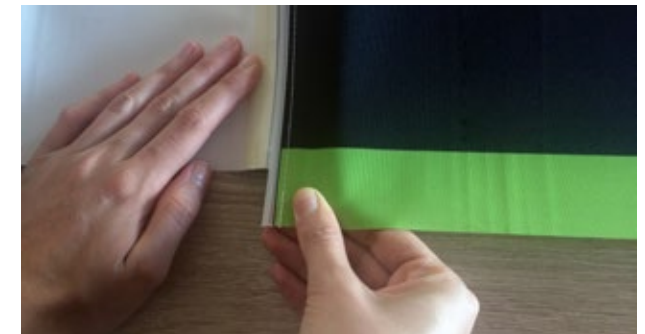

one.R1: single-sided format

Clipping hangers

Go green!

Now available: recycled fabric graphics sourced from plastic bottles for all your retractables and banner stands.

The fabric is more eco-friendly while the printing process (dye-sublimation) remains the same for unrivaled colour rendering.
